Carl - Emily is the best point of contact. She has already reserved a room.

Thanks for the reply. I just talked to our tribal advisor Alfreda Mitre. At this point the consultation call/meeting is on for tomorrow 1/14 at 4pm eastern 2pm mountain.

Since some of the Ute Tribe Business Council and their counsel will be in D.C., if possible, we would like to invite them to meet with OAR in person and we in the Region would call in.

Could OAR reserve a meeting room and assign a POC for the Tribe's reps (either you or Pat) to contact if they want to meet at EPA's office in person?

We in the Region would open the conf call line with **call-in number** Ex. 6 - Personal Privacy **code**

Ex. 6 - Personal Privacy

The agenda we had developed before is below (we could move the CPP discussion to the front of the agenda if that helps with OAR schedules):

**Proposed agenda for the 1/14 meeting with the Ute BC:**

2:00 - 2:45 mountain: Continue consultation on EPA proceeding to draft and propose a U&O Reservation specific rule to control emissions from existing oil and gas sources.

2:45 – 3:00: EPA update on the draft permit and settlement agreement for the Deseret Bonanza power plant.

3:00 - 3:30: Consultation on EPA's Clean Power Plan and the proposed federal plan that the Deseret Bonanza plant would be subject to.

Thanks for accommodating the last minute logistics for this consultation.

Carl,

On CPP: Debbie is unavailable, but I'm happy to do that part of this. I've copied a few of the OAQPS crowd so they can figure out about attending.

I have not been as engaged in the oil and gas FIP, but Debbie and I think that it makes sense to have someone in the room here at HQ if you are going to do a phone consultation on it. Since she will be on an airplane, I'm going to talk to Joe and Peter and see if either is available. Will try to get back to you soon.

-Wm.

Debbie and William

Looks like the Vice Chairman and two members of the Ute Tribe's Business Council will be in D.C. on Thursday 1/14 and may have time to meet with EPA at 4pm eastern time.

If so, Region 8 would like to have a phone consultation on the U&O draft FIP. It would also be an opportunity for OAR to consult (in person) with the Ute Tribe on the proposed federal CPP.

I will let you know as soon as I have any additional details.

Thanks

Deb is available, I just checked with Betsy. Jeremy is on stand-by, and will be with the Tribal VC, and two councilmembers in DC for the meeting.

Alfreda

Dee mentioned that you stopped by to ask if we could do a phone consultation on Thursday while members of the Ute BC are in D.C. and would be possibly meeting face to face with hqs.

We can make that work if Deb/Shawn are available.

Thanks
